(Signature)

Dear Sir:

The above-identified application became abandoned for failure to file a timely and proper response to a notice or action by the Patent and Trademark Office. The date of abandonment is the day after the expiration date of the period set for reply in the Notice of Missing Parts.

Applicant hereby petitions for the revival of the above-identified patent application which was unintentionally abandoned under 37 CFR §1.137(b).

1. The proposed response:

☐ has been filed.

☒ is attached.

☐ The response is the filing of a continuation application having an express abandonment conditioned on the granting of a filing date to the continuing application compending with this application.

2. Fee under 37 CFR 1.17(m):

☒ Small business entity—fee \$640.00

☐ A small entity declaration is attached.

☒ A small entity declaration was filed in the subject application.

Commissioner for Patents

I hereby certify that this document is being sent via First Class U.S. mail addressed to: Commissioner for Patents, Washington, D.C. 20231 on 13 this day of DEC, 2002.

Dear Sir:

The above-identified application was filed on August 8, 2001 as noted by a copy of the attached filing receipt and received a serial number of 09/924,743. Subsequent to this filing, typographical errors in the serial number in documents filed with the United States Patent Office (USPTO) prevented this application from progressing to examination. However, Applicant did in fact respond in a timely fashion to the outstanding requirements of the USPTO as evidenced by the following explanation. Applicant's attorney recently inquired into the status of the application to find that the application had been abandoned for failure to respond to outstanding requirements. Again, it is posed that Applicant did timely file all necessary documents; however, with incorrect serial numbers, but with the correct inventor name, title, filing date and attorney docket number.

In response to Notice to File Missing Parts (Exhibit A), Applicant timely filed a Declaration and Power of Attorney on October 26, 200 (Exhibit B) and evidenced by the return post card (Exhibit C). The Copy of Filing of Missing Parts of Application, filed on October 26, 2001 (Exhibit D, showing incorrect serial number) was filed concurrently with the Notice to File Missing Parts (Exhibit E, with correct serial number) along with an Application Transmittal

OFFICE OF PETITIONS

Sheet (Exhibit F), three (3) formal drawings (Exhibits G) and a check for \$65.00 for late fee (Exhibit H), all noted on the return post card (Exhibit C).

Following the filing of the Response to Missing parts and the supporting documents, Applicant filed an Information Disclosure Statement and PTO-1449 on May 8, 2002 (Exhibit I, with correct serial number) as evidenced by the return post card (Exhibit J).

Following the filing of the Information Disclosure Statement on May 8, 2002, a subsequent Supplemental Information Disclosure Statement and PTO-1449 was filed on May 14, 2002, (Exhibit K with correct serial number) as evidence by the return post card (Exhibit L).

Applicant hereby files a corrected Declaration and Power of Attorney, herein attached.

Applicant hereby requests that the \$65.00 mailed to the USPTO on October 26, 2001 and subsequently cashed by the USPTO be credited to Applicant's attorney's Deposit Account No. 04-1420.

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.
